Student

Narasimhayya

of the Nabarajas College, who failed

in the last FA Exam.ⁿ for want

of two marks is the first Native

man who has joined the Bombay

Veterinary College, the best Veterin-

ary College in India, with a view

to take a degree in Veterinary

Science. He joined the College in

June last. As the expenses of

living & education in Bombay

are heavy, he has been relieved

by applying for a Govt. scholarship

of Rs 25 a month. The course of

instruction extends over three

years. His application dated

17th Aug 1890 was by the OBSG

Decem's order referred to

the Military Secretary for opinion

the Military Secretary is of opinion

that a really qualified graduate

of the Veterinary College would be

very useful. He would be able to

employ one or two graduates

in his own Department and

thinks more might be ~~employed~~ employed

Commissioners

The Principal of the Veterinary

College at Bombay forwards

another application from the same

student with a strong recom-

mendation dated 13 Sept 1890. The

Principal says, Narasimhayya

has been made good progress
so far and promises to turn
out ultimately an excellent
Veterinary practitioner He seems
active & energetic On these grounds
I beg strongly to recommend his
application

As I understood from
the Offg Dewan, a reference
from the Resident on the
subject of establishing a Civil
Veterinary Dept has been under
the consideration of the Govt of
Mysore Whatever decision
may be arrived at on this
subject, I submit that Govt
may be moved to sanc

tenable for a period of three
years from last June subject
as usual to his passing
the periodical examinations
and the receipt of "V"
Periodical reports of conduct

I know Ramaswamy as a
diligent student and think
he deserves some special con-
sideration for his pluck in
joining the Bombay Vety College
